Theme : Innovation and creativity within Sustainable and Smart Societies

The 5th International Conference on Innovation in Science Technology (ICIST 2023) is intended to provide a forum for research scientists, engineers, educators, and practitioners throughout the world to learn, share knowledge, publish, and disseminate the most recent innovations and developments, ideas, and applications in all fields of science, technology, economics, business, and management.

A unique feature of ICIST 2023 is the opportunity for authors to publish a paper in a peer-reviewed journal.
